Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

Book Condition: New. Publisher/Verlag: HarperCollins US | ALA Popular Paperbacks for Young Adults, ALA Quick Pick for Reluctant Young Adult Readers | Shadowland, as well as the following 3 books in the Mediator series, originally appeared under the pseudonym Jenny Carroll from Simon & Schuster. Now with a hot new look, these four sassy supernatural books release under the blockbuster name Meg Cabot, along with an awesome repackage of the fifth in the series, the New York Times best-selling teen thriller Haunted! That s not all-- these five books are also joined by the sixth and final installment to the series, Twilight, all with a unified cover look, for yet another Cabot extravaganza, this time of supernatural proportions! Hang onto your Jimmy Choo mules, girls-- this is more than just a ghost story! | Suze is a mediator -- a liaison between the living and the dead. In other words, she sees dead people. And they won't leave her alone until she helps them resolve their unfinished business with the living. But Jesse, the hot ghost haunting her bedroom, doesn't seem to need her help. Which is a relief, because Suze has just moved to sunny California and plans to start fresh, with trips to the mall instead of the cemetery, and surfing instead of spectral visitations. But the very first day at her new school, Suze realizes it's not that easy. There's a ghost with revenge on her mind . and Suze happens to be in the way. | Format: Paperback | Language/Sprache: english | 147 gr | 304 pp.
