Missing Semester LLC. Paperback. Book Condition: New. Paperback. 102 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Our financial choices have consequences. Will you choose wisely? The Missing Semester - an award winning financial guide - provides a short course on the essentials for making wise financial decisions and gaining financial freedom. Although designed with the recent college graduate in mind, the book is relevant to a much wider audience. When students find our information-rich world overwhelming they should be directed to this book, because these lessons apply not only to personal finances, but also to character.
