

It s Not about Me (Paperback)

By Chri Fife

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The true essence of life is karma. It is when you do things for others that ends up coming back to you. It is the golden rule. The motivation to achieve goals in life often comes from selfish desires of rewards. But it is the intrinsic desire to help others and think about others that really drives our actions. It is not about me, it is about thinking of others, it is about serving others.

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
