Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Enjoying God's Best in Life and Eternity | Life is a journey and this journey begins for everybody at the moment of being born into this world and terminates at the point of death. The moment a person is born, he or she begins a journey into eternity. Man is a spirit; he has a soul and dwells in his body. It is the body that dies; the spirit and soul are the never-dying parts of man which will live in the unending ages of eternity either in heaven or hell. This life is preparatory for life beyond the grave and so death does end human existence, it only opens the door and ushers the departed soul into his or her eternal destiny and destination. This book has been written not for theologians and philosophers but for you. My purpose is to give you a clear understanding of a new way of life that was presented by an unknown Galilean over two years ago. It is the way that guarantees peace with God in this life and being able to live with Him when this life is over. This book is written in such a way that once you start reading it, you will not want to stop until you have finished reading it. | Format: Paperback | Language/Sprache: english | 112 pp.
