## Morality, Authority, and Law: Essays in Second-Personal Ethics I (Paperback)

By Stephen Darwall

Oxford University Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Stephen Darwall presents a series of essays that explore the view that central moral concepts are irreducibly second-personal, in that they entail mutual accountability and the authority to address demands. He illustrates the power of the second-personal framework to illuminate a wide variety of issues in moral, political, and legal philosophy. Section I concerns morality: its distinctiveness among normative concepts; the metaethics of bipolar obligations (owed to someone); the relation between moral obligations form and the substance of our obligations; whether the fact that an action is wrong is itself a reason against action (as opposed to simply entailing that sufficient moral reasons independently exist); and whether morality requires general principles or might be irreducibly particularistic. Section II consists of two essays on autonomy: one discussing the relation between Kant's autonomy of the will and the right to autonomy, and another arguing that what makes an agent's desires and will reason giving is not the basis of internal practical reasons in desire, but the dignity of persons and shared second-personal authority. Section III focuses on the nature of authority and the law...

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

*-- Beverly Hoppe*

*Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.*
