

L Abyssinie En 1896: Le Pays, Les Habitants, La Lutte Italo-Abyssinie (Classic Reprint) (Paperback)

By Paul Combes

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from L Abyssinie en 1896: Le Pays, les Habitants, la Lutte Italo-Abyssinie En depit de la pleiade d explorateurs, Francais pour la plupart, qui ont sillonne l Abyssinie dans tous les sens, et leve une carte exacte et detaillee du pays, - la masse d observations qu ils ont recueillie se trouvant dispersee dans des relations peu accessibles, cette partie de l Afrique est en realite tres peu connue. Il n existe aucun ouvrage d ensemble resumant ce qu il est important de connaitre de la topographie, du climat, des populations, des productions et des ressources de l Abyssinie, - ainsi que des phases historiques qui ont precede et prepare la crise a laquelle nous venons d assister. Il ne sera donc pas sans utilite, dans les circonstances actuelles, de donner des apercus pratiques, precis et puises aux meilleures sources, sur un pays que les evenements recents preparent peut-etre a jouer un role important dans l histoire de cette fin de siecle.
