Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Decline and Fall of the Public Library of Cincinnati, Vol. 1: The Decline There has, doubtless, been too much wholesale condemnation and abuse of the management of our educational institutions. Let actual defects be exhibited without fear or favor; let blame fall where it is due. And when the seat of the evil is recognized, let the wise physician heal, where healing is possible and where it is not, let the skilful surgeon mercifully cut off the diseased members rather than permit the whole body to suffer and finally to perish from corruption.
