Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Press reports describing classified U.S. operations abroad have led to calls from Congress for an investigation into the source of the leaks, and Attorney General Holder appointed two special prosecutors to look into the matter. The online publication of classified defense documents and diplomatic cables by the organization WikiLeaks and subsequent reporting by the New York Times and other news media had already focused attention on whether such publication violates U.S. criminal law. The suspected source of the WikiLeaks material, Army Private Bradley Manning, has been charged with a number of offenses under the Uniform Code of Military Justice (UCMJ), including aiding the enemy, while a grand jury in Virginia is deciding whether to indict any civilians in connection with the disclosure. A number of other cases involving charges under the Espionage Act demonstrate the Obama Administration's relatively hardline policy with respect to the prosecution of persons suspected of leaking classified information to the media.
