In a world overwhelmed with identity theft, it's not just your credit card and financial assets that can get stolen. The world around you can hijack the person you are created to be. The Identity Project self-coaching courses are designed to assist you in discovering your identity in Christ. If you don't know who you were created to be the world around will tell you who you should or shouldn't be. In this course, you will discover: The Biblical identity of God the Father and how he rejoices over you and who you were created to be and how to get back to your true self. Through a series of coaching questions, this process will provide a Biblically based exploration of God and you. Your true identity gets buried under the rubble of misunderstandings, rejection, guilt, shame and disapproval. Your identity is the key to your purpose, why you are here and what you are to do while you are on earth. If you want to live the life you are intended to have, start now by becoming who you have always been but never allowed to be.
