Attorney Chad Hunter has a type: petite, beautiful blonds who offer little challenge, especially when he ends their brief affairs by sending them luxe bouquets of hothouse flowers. The love em and leave em barrister finds himself enthralled by the cards that accompany the bouquets -- notes that perfectly capture the passion he desires. Seduced by their author s eloquence and deep understanding of desire, Chad impetuously barges in on the woman responsible for the cards. She meets none of his criteria, yet being in her presence stimulates his body as much as her words captivated his mind. The fertile heat and abundant life of her greenhouse become an impromptu Garden of Eden as Chad uses every tool at his disposal to prove that she s not only his match -- she s his rib.
