Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Beginners Guide to Company law in Ireland Starting companies are like having babies - fun to conceive but hell to deliver. Companies start life just like any other life, it is an idea which is conceived, and the formatters plan the company structure, the responsibilities of all of the directors and the duties and responsibilities of all of the company officer during the life of the company. In essence, it is like having a baby and delivering it. Company or corporation law is the law concerning the creation and regulation of companies. A company is an artificial person and therefore has all the rights and responsibilities of a person, the company can own property, sign contracts, sue and be sued. Company law usually deals with the structure of corporations, various director and officer liabilities, fiduciary duties and governance issues. This guide deals with the formation of a company, the running of a company, the duties and responsibilities of company officers, Employment law, the Law of Agency, and Data Protection laws in Ireland.
