Saunders, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: With an illustrated, storyboard format for procedures, *Phlebotomy: Worktext and Procedures Manual, 4th Edition* describes all aspects of phlebotomy, with current coverage of equipment, safety procedures, arterial blood gases, point-of-care testing, and practical phlebotomy skills. Procedures cover core functions and are outlined with step-by-step instructions and new full-color photos. Clinical scenarios, practice tips, and new Avoid That Error features keep the focus on application and practice. Written by phlebotomy expert Robin Warekois, this practical worktext also includes competency checklists, a mock certification exam, a detachable bookmark that can serve as a tube guide, and a new video collection on the Evolve companion website. A detailed, storyboard format outlines common procedures, with steps accompanied by new full-color photos. Study and certification exam preparation questions in each chapter help you review and remember the material. A mock certification exam in the appendix mirrors the format of the actual phlebotomy certification exam, allowing you to review for the exam with 150 multiple-choice questions. Competency Checklists at the end of the book summarize the most critical and important steps in phlebotomy procedures. Clinical scenarios and tips encourage you apply your knowledge to real-life challenges in the workplace. Student resources on an Evolve companion website include a pre-test, animations, a new procedural video collection, interactive exercises, a mock certification exam, and an audio glossary. An anatomy and physiology section offers illustrated, in-depth information on body systems. A perforated bookmark on the back cover serves as a quick, portable reminder of which stopper tops to use for various diagnostic tests. Flashbacks and Flashforwards provide a cross reference to related information in previous or upcoming chapters. NEW video collection on the Evolve companion website demonstrates how critical procedures are performed....
