Excerpt from Empire Copying Co s Catalogue and Retail Price List of Elegant Portraits in India Ink, Water Colors, Crayon and Oil: Also the Only Genuine Melanotype, the Finest Cheap Picture in the World Water Color Portraits will always be popular with the masses. Presenting as they do the subject in natural life colors, they are considered by many to give a more satisfactory likeness than India Ink. They are especially adapted for ladies and children and people of blond or auburn complexions, which cannot be as truthfully represented in India Ink. India ink portraits are finished in black and white, in imitation of steel engravings. We make two grades of Water Colors and India Ink. When the original Picture is fairly good and no important changes are required, our Grade A will be found to satisfy your most critical customers; but when the original is badly faded or defaced, or a radical change is desired, they should be ordered in the best grade. Customers who desire the best work that can be produced and are willing to pay for it, will find our Grade B equal in every particular to the production Of the best artists in the country, whose studio prices are usually more than double the prices given in our list.
