Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Poetry and Humour: Of the Scottish Language The original intention of the Editor of this work was to make it a guide to the better comprehension by English readers of the immortal works of Robert Burns and Walter Scott, and of the beautiful Scottish poetry to be found in the ancient and modern ballads and songs of the North Countrie, - and not only to the English but to all other admirers of Scottish literature, where it differs from that of England, and to present to them in accessible and convenient form such words as are more poetical and humorous in the Scottish language than in the English, or are altogether wanting in the latter. The design gradually extended itself as the compiler proceeded with his task, until it came to include large numbers of words derived from the Gaelic or Keltic, with which Dr. Jamieson, the author of the best and most copious Scottish Dictionary hitherto published, was very imperfectly or scarcely at all acquainted. Broad Scotch, says Dr. Adolphus Wagner, the erudite and sympathetic editor of the Poems of Robert Burns, published in Leipzig, in 1835, is literally broadened, - i.e., a language or dialect very worn off, and blotted, whose original stamp often is unknowable, because the idea is not always to be guessed at. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
