Baker Publishing Group, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Throughout the history of English literature, church ministers have figured prominently in novels, plays, morality tales, and even poetry. Pastors in the Classics is a unique, unprecedented collection of relevant literary masterpieces in which the pastor s experience is a major part of the story. Part 1 is a reader s guide to twelve important classics written over four centuries and covering seven different nationalities. Each chapter not only describes and interprets the work in question, it also highlights a specific feature of pastoral ministry explored in the work. Part 2 is a handbook that defines the canon of literary masterpieces that deal with the pastor s experience, offering reading suggestions for both ministers and lovers of literature. From the familiar (The Canterbury Tales; Cry, the Beloved Country; and The Scarlet Letter) to the lesser-known (Silence, Witch Wood) to the surprising (A Portrait of the Artist as a Young Man), this collection uncovers the good, the bad, and the ugly ways in which pastors have been presented to the reading public for the past half millennium.
