Schaum's Outline of Basic Electrical Engineering (Paperback)

By Jimmie J. Cathey, Syed A. Nasar

McGraw-Hill Education - Europe, United States, 1997. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Master electrical engineering and ace your exams with this easy-to-follow guide that pumps up your problem-solving skills and reduces the time you need to spend studying! Electrical engineering students love Schaum's - the first edition of this book was a major bestseller - and this new guide will show you why! Basic Electrical Engineering lets you focus on the problems that are the core of electrical engineering. This guide takes you straight to the heart of EE. It simplifies your life and cuts your study time by eliminating the extraneous material you don't really need to know that clutters up so many textbooks. As you study along at your own pace, this study guide shows you step by step how to solve the kind of problems you're going to find on your exams. It gives you hundreds of completely worked problems with full solutions on the information that you really need to know. Hundreds of additional problems let you test your skills, then check the answers. So if you want to get a firm handle on electrical engineering - whether...
