SIMON SCHUSTER, United States, 2016. Paperback. Book Condition: New. Reprint. 231 x 155 mm. Language: English . Brand New Book. A fresh look at President William McKinley from New York Times bestselling author and political mastermind Karl Rove "a rousing tale told by a master storyteller whose love of politics, campaigning, and combat shines through on every page" (Doris Kearns Goodwin, Pulitzer Prizewinning author of Team of Rivals). He deployed campaign tactics still used today, including targeting voters with the best available technology. Above all, he offered bold, controversial answers to the nation's most pressing problem: how to make a new, more global economy work for every American and although this split his own party, he won the White House by sticking to his principles, defeating a champion of economic populism, William Jennings Bryan. Rove "brings to life the drama of an electoral contest whose outcome seemed uncertain to the..."
