Excerpt from The Will in Ethics In like manner the showman puts forth his gaudy pictures that the passerby may get a glimpse of the glories that await the purchaser of a ticket. It were well and convenient if the author might also give some notion of the contents of his book to the possibly critical gentleman who picks it up and exclaims, perhaps with some impatience Well, what is it all about anyhow: what is the fellow driving at? Is there any meat in this uncracked walnut of a book? His thought being Must I wade through all these pages before I can tell what the shopper and theatergoer get so easy a glimpse of before making their venture? This very natural desire has in View the answer ing of two perfectly legitimate questions, first and generally: Is there anything within worth looking at under any circumstances by anybody? And secondly and particularly, granting the first question answered satisfactorily: Is that worthy anything of any worth to me?
