## Socialcide: How America Is Loving Itself to Death (Hardback)

By Leo J Battenhausen

Faith Books and More, 2014. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens to a society when common courtesy, values, morals and kindness are not merely disregarded, but considered old-fashioned and outdated? Why are more and more children being diagnosed with social and emotional disorders today than ever before in history? When has true face-to-face communication become unwanted and obsolete? Where has America's sense of decency and honor gone over the past 35 years? Why do we find humor and entertainment at the expense of others' dignity and innocence? The words narcissism, sociopath and psychopath are thrown around on television daily in describing those responsible for heinous acts of school shootings, murder, rape and child abuse. Narcissist is currently one of the most searched words on the World Wide Web. Meanwhile, the field of Psychology wants to eliminate Narcissistic Personality Disorder from its references. When children are becoming less willing to learn, work or take responsibility for their actions, and parents are too busy to enforce morals and consequences when raising their children, we have a social problem. Socialcide is destroying families, marriages and true love. The media manipulates us, technology corrupts...
