Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Born of the union between a werewolf and a mage, Kaden was forced to hide his existence and power from both species. But when a stranger crossed his path one night, he was tempted to risk his heart and life to meet this man. They were not alone, however. An alpha witnessed Kaden's harsh rejection and kidnapped him immediately afterward, subjecting him to years of torture and manipulation of his power. Michael, a newly made alpha, had never been attracted to men, so when he discovered that his mate was male, shock and fear caused him to make the worst decision of his life. He spurned Kaden and the love the younger man offered. Ridden with guilt and loss, Michael went back to search for his mate only to find him gone. After four years of scouring the countryside for Kaden, fate brought them back together, but Michael finds that winning Kaden's heart is not his only challenge. Kaden's kidnapper will never give up his obsession with the young beauty, but neither will Michael. Will their love be strong enough to defeat evil and the burden of past mistakes?.
