Mountain Bike Like a Champion: Master the Techniques to Tackle the Toughest Terrain

By Ned Overend, Ed Pavelka

RODALE PRESS, United States, 1999. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. Master the techniques of America s greatest rider with Mountain Bike Like a Champion. * Glide over rocks, logs, and ledges * Attack steep climbs and rapid descents * Carve through curves and turns * Train smart, then ride to winImprove your performance with these tips, techniques, and off-road tales from mountain biking legend Ned Overend. At the 1990 world championships in Durango, Colorado, Thomas Frischknecht and I were locked in a dogfight. At the start of the fourth and final lap was a pitch of rocky, loose trail that went straight up the face of a ski run. My Swiss rival had been dismounting and running this climb while I stayed on my bike. On previous laps, I d opened a little gap, so I knew this would be my chance. I attacked when Thomas got off again. He never caught me. To ride that steep trail, I had to use five climbing techniques. There s no reason why you can t make them part of your arsenal, too.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
