Goodnight Mind: Turn Off Your Noisy Thoughts and Get a Good Night's Sleep (Paperback)

By Colleen E. Carney

New Harbinger Publications, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. Do you find yourself lying awake at night, ruminating about the events of the day? Do you toss and turn, worrying about what you have to do in the morning or what you did earlier in the day? If so, you are not alone. In fact, insomnia is the most common sleep disorder faced by the general population today. The most common complaint in those who have trouble sleeping is having a noisy mind. Sometimes, no matter how hard you try, it seems like you cannot silence all the internal dialogue. So what do you do when your mind is spinning and your thoughts just won't stop? Accessible, enjoyable, and grounded in evidence-based cognitive behavioral therapy (CBT), Goodnight Mind directly addresses the effects of rumination-or having an overactive brain-on your ability to sleep well. Written by two psychologists who specialize in sleep disorders, the book contains helpful exercises and insights into how you can better manage your thoughts at bedtime, and finally get some sleep. Traditional treatment for insomnia is usually focused on medications that promote sedation rather than on the behavioral causes of insomnia....

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.
