Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Ivory King a Popular History of the Elephant and Its Allies In the present volume, I have endeavored to present as much of the history of the elephant as is compatible with popular interest, treating the animal in all its relations to man, and the economic questions involved: in war, pageantry, sports and games, as a faithful laborer and servant, comrade and friend, its ancestral forms, structure and anatomy. As the work is in no sense a scientific one, the student may regret the absence of details relating to anatomy, etc. To compensate for such omission, I have appended a carefully selected bibliography of all the most important works, papers, and monographs, ancient and recent, relating to the subject. I am indebted to Mr. George P. Sanderson, officer in charge of the elephant-catching establishment at Mysore, Bengal, whose valuable work embracing his experience with the Asiatic elephant has been frequently consulted; also to the works of Sir Emerson Tennent, and especially to the author of Menageries, published by Messrs. Charles Knight Co., London. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
