Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you instilling your children with character? Or have you left it up to the public school system? With programs such as The 7 Habits of Happy Kids, the public schools have taken it upon themselves to teach character. In his work, 7 Commands for Happy Christian Kids, Chad Skolny takes a close look at the dangers of the public school system s attempt to teach character to our children. Each of the seven habits is observed through a Christ-centered lens, and biblical answers are given to questions that many Christian parents and teachers have failed to consider.
