# IMPACT OF TELEVISION ON POLITICAL AWARENESS

1992. Hardcover. Book Condition: New. 208 The radio and television regularly present national and international political information to their audience. The programmes such as The News focus, election broadcasts, group discussions and features are part of the information service. But how much do our people, particularly the poor rural folks, receive the political broadcasts and telecaste? -How many realise the importance of their own participation in the national, regional or local scene? -How many of them have the basic political...
