SIMON SCHUSTER, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Twenty-five years ago, when Pat Robertson and other radio and televangelists first spoke of the United States becoming a Christian nation that would build a global Christian empire, it was hard to take such hyperbolic rhetoric seriously. Today, such language no longer sounds like hyperbole but poses, instead, a very real threat to our freedom and our way of life. In *American Fascists*, Chris Hedges, veteran journalist and author of the National Book Award finalist *War Is a Force That Gives Us Meaning*, challenges the Christian Right's religious legitimacy and argues that at its core it is a mass movement fueled by unbridled nationalism and a hatred for the open society. Hedges, who grew up in rural parishes in upstate New York where his father was a Presbyterian pastor, attacks the movement as someone steeped in the Bible and Christian tradition. He points to the hundreds of senators and members of Congress who have earned between 80 and 100 percent approval ratings from the three most influential Christian Right advocacy groups as one of many signs that the movement is burrowing deep inside the American government to subvert it. The movement's call to dismantle the wall between church and state and the intolerance it preaches against all who do not conform to its warped vision of a Christian America are pumped into tens of millions of American homes through Christian television and radio stations, as well as reinforced through the curriculum in Christian schools. The movement's yearning for apocalyptic violence and its assault on dispassionate, intellectual inquiry are laying the foundation for a new, frightening America. *American Fascists*, which includes interviews and coverage of events such as pro-life rallies and weeklong classes...
