Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Songs of Angus Scots, not as an exercise, but as a living speech, and recaptures old moods and scenes with a freshness which is hardly possible for those who with their own eyes have watched the fading of the outlines. It is the rarest thing, this use of Scots as a living tongue, and perhaps only the exile can achieve it, for the Scot at home is apt to write it with an antiquarian zest, as one polishes Latin hexameters, or with the exaggerations which are permissible in what does not touch life too nearly. But the exile uses the Doric because it is the means by which he can best express his importunate longing.
