Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Dover Publications Inc., United States, 1993. Miscellaneous print. Condition: New. Language: English . Brand New Book. The romance of the Old South is magnificently captured in this paper doll collection, highlighting the elaborate dresses and gowns and the military uniforms typical of a well-to-do-plantation family of the Civil War era. The stars of the collection are a lively pair of Southern belles, one of them a bride. Artist Tom Tierney has provided Laura Lee and Hallie with charming frocks and ball gowns in the hoopskirted fashions of the period, stylish ensembles for outdoor activities, and elegant dresses for their roles as bride and maid of honor. Their mother is shown in a regal off-the-shoulder gown with matching cape and bonnet. The girls father and brother, and the groom and best man, are all shown in detailed renderings of Confederate military uniforms of the period. Three charming young children -- Blanche, Bobby, and Bea -- are shown at play, rounding out this portrait of a Southern family. The Laura Lee and Hallie paper dolls are shown in petticoats and hoopskirt frames. Five different costumes are provided for each. The eight other members of this handsome family and their wedding party are shown individually as fully costumed figures. Together, they offer costume and paper doll enthusiasts a delightful look at the voluminous, richly detailed fashions of a memorable era in American history.
