

Psychotherapy Theories and Techniques: A Reader (Paperback)

Filesize: 6.75 MB

Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

PSYCHOTHERAPY THEORIES AND TECHNIQUES: A READER (PAPERBACK)

[DOWNLOAD](#)

American Psychological Association, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. Psychotherapy Theories and Techniques explores the richness and variety of psychotherapy in a collection of carefully chosen excerpts from APA publications. Intended for students and practitioners, this volume provides a unique look at contemporary psychotherapy theory and the specific interventions associated with each orientation. All major approaches in psychotherapy are included - everything from cognitive-behavioural therapy to psychoanalytic therapy - as well as newer approaches such as acceptance and commitment therapy and schema therapy. Chapter appendixes direct readers to videos showing specific techniques in APA's database of psychotherapy demonstrations, PsycTHERAPY (R), so that readers can see interventions in action. Whether just beginning a clinical program of study or already in practice, readers may use this volume as both a companion to PsycTHERAPY as well as a unique survey of contemporary approaches and techniques.
