

The Five-Minute Buddhist s Buddhism Quick Start Guide (Paperback)

By Brian Schell

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to the world of Buddhism! Americans and others in the West have certain expectations and images that come to mind when the word Buddhist comes up. Most people have seen the Dalai Lama on the news or in magazines, and he has almost become synonymous with Buddhism in general. The truth is that by far, the majority of the world s Buddhists are not bald Asian men in orange robes. Buddhists look like you or me- just normal people who try to fit the ideas developed by Buddha into a normal modern life. What follows is a compilation of the very foundations of Buddhism. There are many sects or denominations of Buddhism, and they are all very distinctive, but the material included here is common to all of them. Whether you want to practice Buddhism as a religion or as a philosophy, whether you want to experience Zen or Tibetan, whether you want to pray or meditate, you ll need to understand the basics. There are five short chapters: What is Buddhism? Who was the Buddha? The Four...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
