CUBAN-JEWISH JOURNEYS: SEARCHING FOR IDENTITY, HOME, AND HISTORY IN MIAMI

[DOWNLOAD](#)

University of Tennessee Press, 2000. Paperback. Book Condition: New. 230 x 153 mm. Language: English . Brand New Book. Between ten and fifteen thousand persons of Cuban-Jewish heritage currently live in Miami. Until now, however, this vibrant community and its unique traditions have, to a large extent, escaped the notice of ethnographers, historians, and other scholars. In *Cuban-Jewish Journeys*, Caroline Bettinger-Lopez remedies that neglect with an engaging, in-depth look at a people whose rich mix of cultures confounds typical ethnic images. The author begins by investigating the history and development of the Cuban-Jewish community, tracing its origins back to Jewish enclaves in Eastern Europe, Russia, and the Mediterranean. She explores how these people came to Cuba in the first half of the twentieth century and how they eventually resettled in the United States as part of the larger Cuban migration that followed Fidel Castro's 1959 revolution. In recounting this history, Bettinger-Lopez draws heavily on numerous stories told to her by Cuban Jews in Miami and elsewhere. Those oral histories also form the basis of Bettinger-Lopez's subsequent exploration of the identity and assimilation issues facing Jewbans (as many in Miami began calling themselves in the 1970s). She found that place and date of birth, for instance, may affect an individual's identification with a particular homeland and political ideology, which may in turn influence how the individual remembers Cuban-Jewish history. The future of Miami's Jewban community, she suggests, now lies in the hands of a generation that, for the most part, has grown up within the United States. Already, the community is transforming itself linguistically, culturally, and religiously to accommodate the younger generation. Skillfully interweaving historical analysis, personal reflections, inter-generational stories, theories of diaspora, photographs, and current debates on ethnographic writing, *Cuban-Jewish Journeys* will appeal not only to...
