Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Fernando Hahn)

EL ICONO

UMBRIEL EDITORIAL. soft. Book Condition: New. Tras la quiebra de su galería de arte en San Francisco, Garth Hanson intenta sobrevivir a la presión de una legión de acreedores. Por eso, lo peor que puede hacer es apostar quinientos dólares que no tiene en un combate de esgrima con el arrogante Richard W. Andersen II. Y, sobre todo, perder el duelo estrepitosamente. Pero Andersen, un tipo tan capaz de sacarse del bolsillo un grueso fajo de billetes como una pistola cargada, está dispuesto a perdonarle la deuda a cambio de que haga un pequeño trabajo para él. Hanson abandona la ciudad del Golden Gate camino de la isla griega de Mykonos, donde deberá utilizar su experiencia como falsificador en la elaboración de una copia de la Panayia Evangelistria, "el icono de los milagros", una maravillosa pieza del arte bizantino con fama de repartir suerte a los que creen en ella y de causar la muerte de los que no. Y, en efecto, no tardará en descubrir que la experiencia va a estar tan rodeada de mujeres y dinero como de peligros mortales. Tres años antes de que Dan Brown pusiera de moda el thriller artístico-religioso con El código Da Vinci, Gary Van Haas triunfaba ya con esta irresistible novela de falsificaciones y maldiciones ambientada en una de las más bellas y seductoras islas del Mediterráneo.
