REMAPPING GLOBAL POLITICS: HISTORY S REVENGE AND FUTURE SHOCK (PAPERBACK)**DOWNLOAD**

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****.This book seeks to redraw our mental maps of global politics and to explain the shifting and accelerating forces that are shaping those maps. The authors build on the concept of post-internationalism , focusing primarily on political space and political identity which, they argue, are the new frontiers of global political theory. They suggest that the state is losing capacity, legitimacy and authority to remain the primary actor in world affairs and is giving way to a more complex post-international universe characterized by diverse and overlapping polities. This book is the result of the authors long-standing joint research into the nature and dynamics of global politics, a collaboration that has spanned over three decades. It makes an important contribution to the literatures on globalization and the future of international relations theory.
