Suzze Woozie Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the War Between the Christians and the Atheists. In the coming war between the Christians and the atheists, one side has the numbers, but the other side has the brains. And who wins and who loses just might be determined by former televangelist, now Ex-Christian Suzze Osmond. Televangelist heads are exploding as Suzze and the Old Man hit the road on their way to . who knows where? Along the way, they meet Laurence Gelb, PhD, the smartest man in the world, Pastor Steve, the voice of a new generation of fundamentalist belief and his erstwhile companion Pudge, and last but not least, the J-Man himself, the resurrected eJesus. Who is causing the demise of these so-called men of the cloth? Could it be, Heaven forbid, The Big Guy himself? Funny. Perverse. Magical. Move Over Jesus is required reading for any True Believer who can see the humor in the world around us and want to know what the other side really thinks. Hint: the Good Guys win.
