Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Safe Haven for the Heart! PSALM of the Heart-Fortress is more than a collection of poems love songs. Think of this book as the safe haven for the heart; the home for a mystical and metaphorical organ that provides testimony to our intent and feelings. Frequently the heart is a broker of truth, and at other times the emissary of deceit. In these pages the territory for which wars have been waged, lost and won are chronicled and explored from the inside - out. On the heart s battleground, Ron Montgomery provides a wide breath of experiences ranging from the spiritual to worldly. The message here is about the growth that occurs at the deepest most intimate levels, and provides a common understanding of metaphors and analogies that describe the individual joys and pains of living here in our respective skins. The author invites readers to join him on this journey as a prelude to what comes next.
