Brand New Book. Paige Turner is one savvy, sexy sleuth who s out to uncover it all. A fast, fun read. With her inquistive mind and bold attitude, Paige is one investigator no cheating heart wants to cross. - Lis Wiehl, New York Times bestselling author Like so many of us who fall in love, Paige Turner had been cheated on, lied to, and taken advantage of--until she decided she d had enough. As a former investigative journalist, Paige combined her sly sleuthing skills with a genuine empathy for the broken-hearted--not to mention her natural wit and sex appeal-- and launched Vixen Investigations. If you think your husband is being unfaithful, Paige is on the hunt. If your wife has suddenly left you with nothing but unanswered questions, Paige will find out why. Vixen Investigations had solved dozens of infidelity cases, but nothing compares to the one Paige is hired to take on in Mayoral Affairs. When Victoria Wilcox, wife of New York City Mayor Walter Wilcox, reaches out to Paige with suspicions that her husband is cheating, Paige knows this case will require a lot more than a few stakeouts and some social media snooping. Eventually, she uncovers enough to take down the mayor s entire administration. Then, when Paige goes undercover, she is faced with the challenge of revealing who she really is--to a man she finds herself falling in love with.
