Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Yachts and Yachting It was not until February had waned, and March had come that his heart went strongly back to his old love over there in the boat-yard, and his steps turned toward her. The approach to the yard was muddy; snow and ice still lingered, and was there mingled with mud. Rubber boots were as yet in the locker, with old trousers, soiled and well-beloved sweaters, ancient and respected hats, and other gear that made life on the boat one of serene and unfashionable pleasure. Without these appurtenances an inspection of the boat could not be complete; it could not be intimate; but there was assurance she had wintered well, from the friendly old yard - master, bearded and wrinkled, past fourscore and still loving a boat as when a lad; and, this, with the Spring air, and a casual look at the old boat under her Winter coverlet, was enough to rouse a feeling to which there is no fellow in the heart of man, - the spur to independent action, the lust of roving, the desire to be free of everybody on shore, and, with started sheets, to sail away out of the city s harbor to some snug and private cove of his own among the rocks beyond the headland.
