## ELEMENTS OF THE QABALAH

Theophania Publishing. Paperback. Condition: New. 38 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Friend and Brother, I can give you this title because you are searching for the truth in the sincerity of your heart, ready to make the necessary sacrifices in order to find it. Truth, being the essence of all that is, is not difficult to find: it is within us and we are within it. It is like light and the blind do not see it. Being is. This is incontestable and absolute. The exact idea of Being is truth; its knowledge is science; its ideal expression is reason; its activity is creation and justice. You wish to believe, you say. For this, it is enough to know and to love truth. For the true faith is the unshakeable adhesion of the mind to the necessary deductions of science in conjectural infinity. Only occult sciences give certitude, for they have their bases in realities and not in dreams. In every religious symbol, they bring out the true and the false. What is true is the same everywhere, but falsehoods spring up according to places, times and people. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
