### **Reviews**

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).  
(Pasquale Larkin I)*

## LA LUTTE DES RACES ET LA PHILOSOPHIE DE L HISTOIRE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. S il y a certainement des questions plus litteraires, au sens usuel et banal du mot, je ne sais s il y en a, - meme en litterature, - de plus interessante, ou de plus attirante, mais surtout de plus importante que la question de race. Toutes les autres, en effet, n y viennent-elles pas comme aboutir ? Si les memes genres n ont pas fait, en tout temps ni partout, sous toutes les latitudes, la meme fortune litteraire, et par exemple, depuis Ronsard jusqu a nos jours, si tous nos poetes ensemble n ont pu nous donner une Jerusalem seulement; ou encore, si l evolution du drame anglais dans l histoire n a sans doute pas ressemble a celle de la tragedie francaise, la cause ou l explication derniere ne s en trouve-t-elle pas dans le mystere meme des aptitudes originelles des races ? Pourquoi les Allemands n ont-ils pas de theatre, a vrai dire ? ou pourquoi l Europe, dont nos prosateurs ont lait si aisement la conquete, n a-t-elle jamais franchement accepte nos poetes, en general, et nos lyriques, en particulier ? Mais les genres eux-memes, lorsque l on essaie d en reconstituer l histoire et d en reconnaitre la premiere origine, d ou viennent-ils, et que sont-ils peut-etre, si ce n est autant de symboles, d expressions plastiques et figurees de ce qu il y a de plus original, de plus interieur, et de plus permanent dans l ame meme ou le genie des races ? Puisque donc il n y a pas de question litteraire un peu complexe qui n aboutisse a la question de race.
