

## Nursing Fundamentals Demystified: A Self-Teaching Guide

By Bennita Vaughans

McGraw-Hill Education - Europe, United States, 2010. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. Nursing success begins with the fundamentals! Nursing Fundamentals Demystified offers a fast and interesting way for you to understand the foundational concepts and information that will be the cornerstone of your entire nursing education and career. It helps you sort through the mountain of information nursing students face and focus on the essentials -- that which you truly must know to be a successful nurse. You ll also learn how apply this information to real-world clinical situations. In order to make the learning process as effective as possible, you ll find learning aids such as chapter objectives; key terms, tables and boxed information which summarize important concepts; nursing alerts which spotlight critical safety information; nursing care plans in selected chapters which help you identify key assessment data, nursing diagnoses, and interventions; selected procedure tips to assist you with the clinical application of content, questions that appear throughout each chapter to help you evaluate your comprehension; and NCLEX(R)-style questions at the end of each chapter. Get a working understanding of these important concepts: The nursing process, Communication and Documentation, Vital...
