TEN YEARS EXPERIENCE IN RAISING CARROTS AND CABBAGE (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ten Years Experience in Raising Carrots and Cabbage Having observed from early youth by the little garden bed that carrots were a greatly productive crop, and the most nutritious root that I grew, I desired to try their cultivation on a large scale. The idea seemed to be indelible on my mind, and as soon as age and circumstances would allow I essayed to gratify my desire. My great obstacle was Mr. Weed, which was bound to get ahead of my carrots; but being somewhat indefatigable in my energies, I gave close application to years of experiments in devising a plan how I should raise them without such a heavy tax upon the back, which seemed to almost crack under the old system. I first saw that I must be careful in selecting my seed, then I must devise a plan to force it, and then seek a plan to sow it (seeing that I could not sow it with a drill), then I must devise a different mode of cultivation, and lastly a plan to gather them more easily. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
