Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Earth s civilizations have fought to expand their borders, and gain control over the resources of the planet. Earth-Mongers explores the fall of ancient civilizations, the wars from the 19th to 21st centuries, increased loss of life from natural disasters, and crisis of global climate change. The progression of events leads to irreversible damages done to the Earth from overpopulation, pollution, and human-caused disasters, contributing to the negative impacts on the environment and disastrous climate changes. With the planet on the brink of destruction in 2035, and an Extinction Level Event, the world s leaders and general population are faced with the ultimate decision of becoming an extinct species, or the evacuation of the planet. Earth-Mongers will challenge your mind, and expand your awareness. **A portion of the proceeds from the purchase of this book will be donated to organizations working to save animal species close to extinction, and protect animals.**.
