Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After seventeen years of abuse, I was done with pain, done with being the victim. I was done with a lot of things, really. Like vampire-demons and witches and angels and violence and lust and blood. Yup, I was done with all that stuff. Needless to say, Priest Hylander picked a very bad time to kidnap me. (Not that any time is a good time to kidnap me, really. I can get pretty feisty. Even mean!) But he hurt me again. And this is what caused me to do what I did. I couldn't help it. I cracked wide open and crazy stuff just came spilling out. And now I can't seem to find the lid that went flying when my can of whoop-butt got opened up. The cool part about it all is that I found the true meaning of beauty, the true meaning of love, and it came in the form of a demon's tear, when he wept for me. ** WARNING: Because of the demonic behavior of Lucifer's sons, So Weeps the Demon, and the rest of the SAVING DEMONS SERIES may be disturbing to most readers. If you are looking for a warm, fluffy read, this series is definitely not for you! ** So Weeps the Demon is a dark and twisted work of adult paranormal fiction, sprinkled lightly with a dusting of romance. this novel is not recommended for readers under the age of seventeen, due to its disturbing nature. Bloodline, the first epic novel in the Saving Demons Series, is FREE right now where ever ebooks are sold.
