

## Powers, Duties and Work of Game Wardens: A Handbook of Practical Information for Officers and Others Interested in the Enforcement of Fish and Game Laws (Classic Reprint) (Hardback)

By Harry Chase

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Powers, Duties and Work of Game Wardens: A Handbook of Practical Information for Officers and Others Interested in the Enforcement of Fish and Game Laws All over this country to-day those who are really conversant with the conditions as they now exist plainly see and know that there is a growing scarcity of game and fish, or in other words, the wild creatures of forest, field and stream are on the decrease, and in such alarming fashion that unless stringent measures are taken at once the next, and perhaps the present, generation will see the last of them. We realize that there are many who decry this statement, and even laugh in contempt at such a prophecy, but we saw the same thing during this generation when the buffalo and passenger pigeon were to be seen in countless numbers throughout the country, and yet where are these creatures now? Again, why is it that these same people who think the game and fish are not growing scarcer are constantly demanding of their state commissions that the latter put forth more...

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

-- Beverly Hoppe

*Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.*

-- Adela Schroeder II
