Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. It s funny how life works, isn t it? You start with truth. Yet over time, truth becomes story, story becomes legend, and legend becomes myth. In the end, what was once reality is thought of as absurd, supernatural, impossible. Lex, let me tell you a story-the truth behind the myths, the truth of who you really are. Centuries ago, when the stars were properly aligned, earth was one of countless interconnected realms. Travel between dimensions was commonplace, with Olympus ruling over all. Then, the unthinkable happened. Facing a threat forged from the depths of the cosmos, the gods destroyed the portals between realms. The true knowledge of the universe became lost, leaving earth with the mythical legends found today-that is, until Lex Douglas and Jamie Peters. Seemingly normal college students, the two should have never met, let alone become friends. Drawn together by fate, Lex and Jamie are thrust into an incredible adventure. Preordained to destroy a cryptic power hidden on earth, Lex and Jamie face daunting tasks and vile enemies, not to mention their confusing romance. In Descendants and Destinies: The Curse of Ares Belt, they battle to uncover the mysteries of the ages and save the world from an ancient force rising once more.
