

## Snake (2nd edition)

By -

Dorling Kindersley Ltd. Paperback. Book Condition: new. BRAND NEW, Snake (2nd edition), Snake is the essential visual guide to the world of serpents, featuring more than 3,000 species. With a fresh new look, updated classifications, stunning photography and amazing artworks, Snake is the most up-to-date reference for all herpetologists. Packed with fascinating facts such as physical and behavioural characteristics, with information about snake evolution, habitats, reproductive behaviour, feeding, defence and much more on 60 snakes, from the Rainbow Boa to the Tropical Rattlesnake. Plus a complete directory lists all 3,000 known species of these fascinating reptiles, including venomous snakes such as cobras. Plus in each profile a 'Fact File' gives at-a-glance information for every snake. Snake is a beautiful and comprehensive guide to some of nature's most compelling animals.

### Reviews

*Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.*

*-- Felicia Nikolaus*

*These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.*

*-- Mr. Alejandrin Murphy PhD*
