It was daylight now, but he still had no sign yet that he was on the right path. He ran through the trees like he was born in the forest. He ran around bushes, under branches, jumped over fallen logs and rocks, and he ran as fast as his legs would carry him. All he could think about was that Brian needed his help. A menacing one world government has taken control and has forced the remaining world populous to submit to their leadership. The inhabitants of a small hidden village called Oasis have chosen to isolate themselves and survive in a beautiful and secluded forested wilderness valley in the west. David Knight, a Native American and guest of Oasis, is committed to helping people survive in this new and dangerous world. He developed his awesome, mystical powers to help others.
