This commentary on II Chronicles is the companion to Dr. Barber's work on I Chronicles and completes the exposition. This is a fine work in tradition of his other books, including The Minister's Library and numerous other commentaries, reference works, and journal articles. This work is devotional in nature, clearly written, and reported "extremely helpful" by Bible study teachers, Pastors, and those studying the Scripture on their own. This book will reward the reader with useful insight. This copy is brand new and the companion to Dr. Barber's work on I Chronicles. An excellent reference.
