Have you sensed that you re not moving in your calling and ministry? Are you stalled, stagnant, or at a standstill? Do you move, but feel like you are not going anywhere? Do you feel you ve spent too much time in this season or level of your life? Worse still, do you know how to get out of this situation? Apostle Dr. Rafael Osorio brings words of inspiration and a challenge to restart your journey to your divine destiny, and move into your new level. He describes many of the causes that incite the inaction and conformism affecting thousands of churches and Christian leaders. He also shares key steps and strategies to get out of this lethargy, understand the times of transition, and move to a new level. Addressing his objectives when writing this book, he states: My goal, when leaders and pastors read this book, is to motivate and challenge them in such a way they do not retire or die taking with them their God-given dreams and visions, only because they did not know how or had feared to go to their new level. My desire and prayer is for them to rise up, initiate, press on, advance in their calling and ministry, and fulfill their purpose. Dr. Rafael Osorio, a native of Puerto Rico, is now the senior pastor of the Apostolic Renewal Church in Springfield, MA, USA. He is also the chairman, founder, and apostle of the International Apostolic Renewal Network, which provides coverage to many churches, pastors, and ministers in South and Central America, the Caribbean, and the United States.
