

Kojiki (Hardback)

By -

Princeton University Press, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An early Japanese classic, possibly dating as far back as A.D. 712, Kojiki is an invaluable sourcebook for students of Japanese history, religion, anthropology, and literature. Completed under the auspices of the Japanese imperial court, it is the oldest extant book in Japan, and its title (literally, Record of Ancient Things) suggests an account of a still earlier era. It is the court's statement about the origins of the imperial clan and the leading families, and the beginnings of Japan as a nation; at the same time it is a compilation of myths, historical and pseudo-historical narratives and legends, songs, anecdotes, folk etymologies, and genealogies. An earlier translation by Basil Hall Chamberlain published in 1882 is now out of print. This translation relates the translated text to modern scholarship and includes the most recent commentaries. Originally published in 1969. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable...

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
